Subject: Support for the Rubicon Trail Cleanup and Abatement Order

I support the draft Cleanup and Abatement Order issued on January 23, 2009 by the Central Valley Regional Water Quality Control Board to the El Dorado County Department of Transportation. I am concerned about the destructive and unchecked off-road vehicle use resulting in ongoing resource damage on the Rubicon Trail. The Board must act to stop increased erosion, soil compaction, and damage to plants and animals.

Please prevent this situation from worsening even further and believe that such actions are long overdue.
